Beloved Chevrah:

I wanted to make available to all of you my words pertaining to Reb Zalman as “preached” on Parashat Pinchas, and in addition a photo of Reb Zalman together with Eve, which I took during the Shavuot retreat of 2009.

They are available on the website of Temple Beth El, Fall River (some of our congregants remember Reb Zalman from his brief sojourn in these parts). The site address is:

www.frtemplebethel.org/

Scroll down to the bottom of the opening page and you will see the photo, and you can click for the “vort.”

Eve and/or Shalom, if you are reading this and would like a better version of this photo, please write me offline and I will happily send you this (and one more!)—it came out a little squooshed on the website.

May his memory continue to be a blessing for us all, and may the blessings continue to blossom and grow!

Shoshana Brown
